FOR IMMEDIATE DISTRIBUTION

Over three decades ago, a Cornell Law grad decided to leave thriving opportunities in Washington to be able to practice law closer to people. Over two decades ago, an NYU Law grad left an engaging securities litigation practice to be able to raise his children while practicing law.

Shaw & Murphy, PLLC represents a unique opportunity for experienced lawyers looking to have control over their own work/life balance. We are looking for two lawyers, one can be a newer lawyer and one (or 2) with at least 6-10 years of experience of being in Court and direct interaction with clients.

Our practice focuses on providing high-quality legal service to the people who make Central New York the thriving interesting place it is today. We help clients with buying their first home, planning for retirement or building a commercial real estate business. Non-profit organizations, particularly Greek Life groups, use our services to help enhance the literary, artistic and environmental life of our area. Young clients look for our help in starting their first businesses and experienced entrepreneurs use us to keep their businesses running smoothly. We help people from all walks of life with criminal matters. While we litigate regularly in City, Town, County Family, Surrogate and Supreme Court, we do so with a firm grounding in alternative dispute resolution, offering and encouraging negotiation, mediation and Collaborative Law to our clients.

We are a small firm on purpose, looking to add one more lawyer to our team. We understand that having a rich personal life builds the foundation of good lawyering. If you are looking to make a change in your life, we'd look forward to talking with you.

Please email a cover letter describing your experience, a resume, a writing sample, a transcript (if less than 5 years at the Bar) and references to Liam Murphy: lmurphy@shawlawfirm.com
